UPDATE: CVSWMD Announces Closures and Cancellations

After careful consideration and an abundance of caution about Covid-19, the Central Vermont Solid Waste District has closed our facilities to the public and cancelled upcoming public events:

CLOSED - The Additional Recyclables Collection Center (ARCC) at 540 North Main Street in Barre, effective March 17th. The ARCC will be closed until further notice.

ARCC staff will not be on site, so please do not leave **any** materials – including food scraps -- outdoors at the ARCC. Go to our Food Scrap Drop Off Sites page to find other food scrap drop off locations near you at: <http://www.cvswwmd.org/food-scrap-drop-off-sites.html>. Dumping of materials at the ARCC is illegal and may be subject to fines; security cameras are in operation to monitor activity.

CLOSED - CVSWMD's administrative offices in Montpelier, effective March 18th. Staff are authorized to work remotely at this time. Although our physical office is closed, the organization remains open and working. To reach a staff member, please contact them via email or telephone. Staff emails are available on CVSWMD's website at www.cvswwmd.org.

Messages left on the CVSWMD ARCC and office phones will be retrieved daily. For updates, please call or check our web site.

CANCELLED OR POSTPONED - All CVSWMD workshop and public events through April 6th, including the "ARCC After Dark" Open House on March 25th. Please check our web site for announcements about future events.

Our priority remains the health and safety of our customers and employees while continuing to meet central Vermont's solid waste needs. We appreciate your patience and assistance during this time.

Sincerely,
