

School electronic waste, etc. that the CVSWMD Additional Recyclables Collection Center (ARCC) accepts:

TVs/monitors

Computers/computer parts (hard drives, boards, fans, etc.)

Printers/scanners/fax machines (including ink & toner cartridges)

Phones (landlines and mobile)

Calculators/tablets

VCRs/DVD Players/Stereos

Tools/Kitchen Appliances (no refrigerators or A/C's)

Projectors/Smart boards

Batteries (lithium batteries, lead acid, and/or tool batteries must be taped or bagged)

Cable/Wire

Electrical Equipment (switches, breakers, thermostats, etc.)

Computer mouses/speakers/backup drives/modems

Bulbs/Lamp Fixtures/Ballast (boxed, NOT taped together).

Interior and Exterior Paints and Stains (in original containers. Note that we do not accept spray paints or auto paints)

This is a general list, specific to schools, but there are many additional items that we accept at the ARCC. We can provide boxes for transport of bulbs. If it is helpful, we can also provide assistance in getting school recyclables from this list to the ARCC. Please feel free to contact us if you have any questions. Thank you.
