

# Compost Bingo!

Welcome to Compost Bingo! This classic game is fun way to help remind your students what items can go in the compost bucket every day after breakfast, snack and lunch times!

## Instructions:

- You can either use the ten pre-made bingo boards, or make your own using the list of words on the right side of the page.
- If you decide to make your own game boards, be sure that they are 5 squares by 5 squares with a free square in the middle!
- Write down all the words onto small slips of paper and put them in a hat or bowl.
- Pull out a slip of paper and read the word- if a student has the word on their board they can cross it off or cover it up.
- The first student to cover 5 squares in a row (either across, up & down or diagonally) wins!
- Prizes are optional and ultimately up to the teacher- ideas: let the winning student pick the words the next round, etc.

**\*\*If you want to make your own boards, have the students help brainstorm the list of foods that can go in the compost bucket\*\***

## Word List:

1. Eggs
2. Orange peels
3. Hamburger
