

FOOD SCRAPS ONLY, PLEASE!!!

HELLO, KIDS!

Help us chickens do our job, turning your leftover food scraps into compost!

Put **only** food scraps
into your compost buckets!
Nothing else, please!

FOOD SCRAPS

HELLO OUT THERE!

It's just us food scraps in here!
No forks, napkins or other trash!

YUM, YUM!

Love ❤️ those school
food scraps!

Thanks for caring by
putting **food scraps in**,
and **keeping trash out**,
of your compost buckets!
