**IN THE CENTRAL VERMONT SOLID
WASTE MANAGEMENT DISTRICT**

CAN'T COMPOST AT HOME?

Bring food scraps to a transfer station or a drop-off site near you.

Some sites may have fees. Check online for details.

up-to-date list
of locations, visit

CAN'T GET TO A DROP OFF SITE?

Ask a neighbor, friend or family member to help. Or, if a neighbor composts in their back yard, they might be happy to add your food scraps to their compost bin.
