Instagram		

If other, please explain:

Question	Yes	No
1. Did your item get fixed today?		
2. If your item did not get fixed, were you given adequate information as to what your next steps should be?		
3. Has this event made you more aware of your environmental impact and/or motivated you to change behaviors that impact the environment?		
4. After participating at the Repair Café, will you try to repair things yourself in the future?
